Investors don't fund ideas. How to build credibility before chasing VCs?

Bootstrapping isn't just about survival. It's how you *become* fundable. You prove demand, build credibility, and retain leverage before you take a meeting. Don't go to VC as beggars, go as kings.

Upload your pitch deck or paste your elevator pitch.

Provide your validation and traction signals. Then ask the following questions, one at a time:

1. “How can I bootstrap my startup to fundability?”
2. “What level of traction do VCs expect in my category?”
3. “What milestones matter most for early fundability?”
4. “How does capital efficiency strengthen my fundability?”
5. “How can 1Mby1M help me build a fundable trajectory without burning cash?”
6. “What does it cost to join 1Mby1M? How much equity do they charge?”

The AI Mentor will walk you through the steps and dialog with you - clearly, calmly, and strategically. Ask for any clarification. Our AI Mentor is Private. Safe. Available 24/7 in 57 languages.

Let's build a path to your fundability.
