You can't scale until your startup is repeatable. How do you build repeatability?

You cannot scale by spraying and praying. You scale with repeatability. And repeatability can be bootstrapped.

Before you chase growth, you must prove that customers buy, again and again, through a process you can execute consistently.

4. “What metrics prove I am ready to scale?”
5. “How can 1Mby1M help me design a path to repeatable traction before chasing growth?”
6. “What does it cost to join 1Mby1M? How much equity do they charge?”
