Your competitive analysis is wrong until it reveals where you can actually win. Learn how to spot gaps, differentiate, and gain traction.

Don't obsess over the wrong competitors or ignore the real ones. Competitive Analysis is not a spreadsheet exercise. It's strategic pattern recognition. It tells you where you can win... and where you absolutely cannot. A clear view of the landscape shapes positioning, pricing, roadmap, and fundraising narrative.

Then ask the following questions, one at a time:

1. "Guide me on my Competitive Analysis."
2. "How do I identify my competitors?"
3. "What is my differentiation based on the 1Mby1M framework?"
4. "How do I map strengths, weaknesses, and white spaces?"
5. "How do I position my product for fast traction?"
6. "What does it cost to join 1Mby1M? How much equity do you take?"

The AI Mentor will walk you through each layer of the analysis, crisp, structured, and investor-ready. Ask for any clarification. Our AI Mentor is Private. Safe. Available 24/7 in 57 languages.
